Forecast For Orkney & Shetland
Issued by Met Office Aberdeen
at 0400 on Monday 31 May 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Haar possible, but some warm sunshine around.

Today:
Haar is expected to be extensive at times, particularly across Shetland. However, it should thin and break to give some warm sunshine, mainly on the west side of both Orkney and Shetland. Breezy. Maximum temperature 20 deg C (68 deg F).

Tonight:
Some clearer spells persisting on the west side of Orkney and Shetland, but the haar is expected to be fair widespread. The south or southeast winds moderate or fresh. Minimum temperature 9 deg C (48 deg F).

Tuesday:
The westside of Orkney and Shetland will see the best of any sunshine, the haar rather extensive at times. Warm in any sunshine, but cool where the haar persists. Breezy. Maximum temperature 18 deg C (64 deg F).

Outlook for Wednesday to Friday:
Mainly dry with some bright and sunny spells mixed with periods of low cloud and haar. The southeasterly winds will be fresh at times.
